Weather

Dry but cold ESE wind of 15-25mph at times. Flying from Camp Hill.
The awkward wind direction restricted entries somewhat.

From JR,
I attended but did not fly. Not only was the wind in a poor direction it was also very gusty and turbulent. When I got home that evening, I heard a travel report saying 'flights in and out of Heathrow and Gatwick are being delayed by half an hour, due to high winds'. No wonder our flyers were having problems !
