December 2017.

CADMAC was founded in 1960, and is affiliated to the British Model Flying Association, which is the governing body for all aspects of model flying in Great Britain. The Turbulator newsletter has been produced since 1965, relying on regular reports and contributions from Club members. The Club website is at [www.cadmac.org.uk](http://www.cadmac.org.uk).

This took place on the 30<sup>th</sup> November but unfortunately I was unable to attend. Tony has sent me some pictures of award winners shown below.
